

Maid2Clean Area Developer Licences in Czech Republic

What is a Maid2Clean Franchise Area Developer?

An Area Developer is a business opportunity whereby franchise businesses that has a proven system in one country (E.G. Maid2Clean in the UK) offers area developer licenses to persons who can then expand the brand in another country (e.g. Czech Republic).

Area Developer - Franchising

Maid2Clean is interested in talking to people interested in Area Developer licensing in Czech Republic.

Maid2Clean is a successful UK management franchise in the domestic cleaning market. With over 100 franchisees trading in the UK, Maid2Clean now provides work for some 9,000 cleaners in the British Isles.

With a presence in Ireland and Canada, Malta also, Maid2Clean is now looking for Area Developer Franchisees to further expand into your market.

Who are we looking for?

Maid2Clean has an Area Developer license potentially available to enable successful applicants to offer a unique management agency concept in the domestic cleaning services sector.

Maid2Clean is seeking a long term player with strong managerial and commercial acumen. You will have the experience of running your own business and developing a network of franchisees. You will need the ability to localize the Maid2Clean UK franchise package to work within the English market.

Maid2Clean is NOT seeking for single unit franchisees at this stage. If you believe you possess all the attributes needed to develop the Maid2Clean brand in the Czech Republic we would be interested in speaking to you.

The demand for the service is virtually recession-proof as more couples go out to work. These busy people are grateful recipients of the Maid2Clean agency service. The Maid2clean business is already a proven concept since 1993, with high profit margins and increasing customer demand. Houses gather dust no matter how the economy performs and demand for the service and franchise licenses remains strong, even in recessionary times. The domestic services cleaning sector has grown exponentially over the last 20 years as more and more couples to out to work to service the life styles they desire.

There is no cleaning involved by franchisees or Area License holders – both are managerial positions. As an Area Developer licensee (franchisor), you would be well positioned to harness the power of the brand and grow a substantial franchise operation in Czech Republic.

Advantages of a Maid2Clean Area Franchise License

The Maid2Clean Area Developer opportunity provides you with many advantages such as:

- Exclusive rights in your area as a franchisor, not just a Franchisee
- Satisfaction in knowing you are helping others grow their businesses as their residential cleaners provide a much needed service
- Low total investment compared to other Area License concepts
- Flexible working hours

To Maid2Clean, the ability to use business experience is outweighs specific industry

knowledge. That said Area Developer Franchisor Applicants must possess certain attributes.

The Maid2Clean Area License Package

<p>Area Developer</p> <p>The figures and information set out are purely illustrative. They do not represent any representation or guarantee that the figures or any other aspects will be achieved. The success of a Area Developer is linked to many factors such as location, ability and resources devoted to the business. Package localisation and marketing will be the responsibility of the Master Master Franchisor.</p>	<p>Country : Czech Republic</p>
Population	10,489,970
Number of residences	3,617,231
Minimum Number of Territories in Area Developer Licence	36
Example Number of Area Developer Territories Purchased	18
Sale Price per Territory	USD 23,500.00
Area Developers Split	50.00%
Area Developer Investment	USD 70,499.30
Area Developer potential earnings from license sales (excluding ongoing royalties)	USD 211,500.00

Please note the minimum number of territories considered for an Area Developer Franchise license is 5 territories!

You would be granted the exclusive development rights to operate the Maid2Clean Franchise system in your agreed region.

There will be no need to invest in English premises, cleaning products or liveried vehicles, the franchisee's agency business can be run from a small office or home. The Franchise business can be run from home also.

Our Area Developers are International Area Developer Owners. They will receive the following with their Maid2clean Area Developer License:

- Launch Program in Czech Republic
- the rights to sell Maid2Clean Franchise Licenses throughout their English Area Developer Territory.
- The rights to use the Maid2Clean trademarks, service marks and other commercial symbols.
- The know-how to develop franchisees businesses countrywide
- Interfacing with Maid2Clean in the UK for ongoing support, training and business development
- Developing a National Account Program for franchisees
- The know-how of how to create brand awareness in Czech Republic
- The knowledge of how to create strong margins with repeat customers
- The support and back up of an experienced senior management team
- Our highly distinguished brand name (we do what is says on the tin!)
- A brand recognized for quality and a commitment to service.
- A protected, exclusive and generous Area Developer territory license
- Maid2Clean proprietary systems and methods for localization and use in Czech Republic
- Online knowledge base
- A proven business model since 1993

The Area Developer Licensee will gain access to the proven Maid2Clean franchise program, which they will adapt to their country. The Area Developer owner will recruit and award franchises within the geographic areas designated in their Area Developer license, to individuals looking to run their own local Maid2Clean cleaning agency in Czech Republic.

Investment for the Maid2Clean Area Developer Franchise

The UK Area Developer Franchisor will bear the cost of localizing the franchise package including the Operations Manual from the initial Area Developer Fees.

As an Area Developer Franchisor you would be the licensee of the Czech Republic market and would be responsible for managing both your own Maid2Clean Cleaning operation alongside selling Franchise licenses to prospect franchisees.
